

Liam Hooper's Scientific Inquiry Journal

22-May-2020

Liam decided to participate in the Oliphant Science Awards.

He really loves beyblades so we decided to do a science inquiry about beyblades.

The title will be 'understanding beyblades'.

29-May-2020

Discussion about what to find out about beyblades - could measure weight, which one wins the most, which spins for longest, best attack or best defense?

Decided to measure which can spin longest which will tell which beyblade has the most stamina.

6-July-2020

Conducted the experiment.

Mum ripped the beyblades.

Liam started and stopped the stopwatch.

Liam recorded the time with Millie's help.

20-July-2020

Wrote inquiry with mum's help.
