GOLD COIN
DONATION**

SCIENCE SHOW PROGRAM

TIME	WHAT'S ON	Southern Stage	Northern Stage
12.15	DINOSAURS DOWN UNDER Heaps Good Productions Australia has an amazing pre-history; join Professor Flint on a journey through this amazing land known to the world as the 'Land Down Under'		
12.45	DR QUARK'S SCIENTIFIC CIRCUS Bright Spark Entertainment This high energy show explores the science and forces behind circus tricks we all love! Dr Quark demonstrates the effects of gravity, momentum, friction, air pressure, energy transfer and push and pull forces.		
1.15	AMAZING ANIMALS STAGE SHOW Nature Education Centre An exciting glimpse into our Australian native animals lives, see a variety of our animals and learn what makes them so unique.		
1.45	SNAKE CLOSE ENCOUNTER Nature Education Centre		
2.15	DR QUARK'S SCIENTIFIC CIRCUS Bright Spark Entertainment This high energy show explores the science and forces behind circus tricks we all love! He will apply the concepts above to more science demonstrations. That means wacky water rockets, groovy gyroscopes, leaf blower levitations and the incredible ostrich squeeze!		
2.45	DINOSAURS DOWN UNDER Heaps Good Productions Australia has an amazing pre-history; join Professor Flint on a journey through this amazing land known to the world as the 'Land Down Under'.		
3.15	CRAZY COLOURFUL CHEMISTRY SHOW Nitro Nat This show is full of amazing colourful chemical demonstrations, wicked but safe fire demonstrations and a jaw dropping finale.		

All Science Shows run for 20 minutes. Program was correct at the time of publishing but may be subject to change.

OTHER ATTRACTIONS

Competition display

View the winning entries in SA's largest student science competition!

Come-and-try stations

Learn how to code using Sphero's with the **SOUTH AUSTRALIAN SCIENCE TEACHERS ASSOCIATION** (bring along a bluetooth enabled device to have a go!)

Operate interactive gadgets with **TECH SPACE LEARNING** demonstrating how to program and use Arduino microprocessors

Chat with our **OLIPHANT SCIENCE AWARDS AMBASSADORS** about their experience with OSA and check out some of their winning projects

Find out about the issue of urban heat and check out your favourite landmarks around Adelaide using **GREEN ADELAIDE'S** heat mapping technology

Bring along your drink bottle to fill up at the **SA WATER QUENCH BENCH**

To ensure we comply with COVID-19 restrictions please **CHECK IN VIA THE QR CODE** when you arrive, **SANITISE YOUR HANDS** and **WEAR A MASK**
