Programming, Apps & Robotics Project Checklist

Elements of your project

- ☐ Written report including:

- ☐ · The aim of the entry, and its scientific purpose and potential applications

- ☐ · The type of robot or computer/device required to run the program

- ☐ · Clear instructions on loading or using the entry

- ☐ · A hard copy of the program and an explanation of what the sections of the program do

- ☐ · Acknowledgment of any external support provided to the entry

- ☐ · A bibliography that acknowledges relevant sources of information.

Online submission (required)

- ☐ Electronic copy of your report / programming details (PDF, Word document or .jpeg) – including links to your program/app or videos/photos of your robot in action

- ☐ Cover sheet (given to you by your coordinator)

Project submitted online: between Friday 7 – 28 June

Appointment (required)

- ☐ Book an appointment for judging online when they open from 7 June - 24 July

- ☐ At the appointment **you are required to bring your own entry with you for judging** – this includes your own device / laptop to demonstrate your project and you need to ensure you have internet access if needed – *WIFI access will not be provided for you.*

Judging day: Saturday 27 July
