2025 Oliphant Science Awards

Online Project Submission

6th to 29th June 2025

Citizen Science, Multimedia*, Science Writing and Scientific Inquiry projects along with reports for Programming, Apps and Robotics.

21st to 27th July 2025

Models & Inventions and Crystal Investigation reports / risk assessments MUST be submitted online. Supporting videos* for Games may also be submitted online.

*Please note: mp4 / video files <u>will not be accepted</u> due to the size and difficulty uploading to the website. All videos will need to be uploaded to YouTube (they can be uploaded as an unlisted video if preferred) and a link provided.

Requirements:

- Access to the unique upload code on your Project Cover Sheet (if you are submitting projects in different categories, there will be a different cover sheet and keycode for <u>each</u> <u>project</u>). Only School Coordinators can download these via their Coordinator's Login.
- Internet access to upload files between 6th and 29th June 2025.

Documents to be uploaded:

The following documents will need to be uploaded for your project depending on whichcategory is being entered:

Please ensure each document you plan to upload has a different name otherwise it will overwrite the file with the same name.

Citizen Science:

- Cover sheet.
- Electronic copy of your Citizen Science journal entry (PDF or Word document)
- Science Writing:
 - Cover sheet.
 - Electronic copy of your Science Writing entry (PDF or Word document)

Scientific Inquiry:

- Cover sheet.
- Electronic copy of your Scientific Inquiry entry (PDF, Word document or JPEG)
- Completed and signed risk assessment form.
- Electronic copy of your Journal / log book.

Multimedia:

- Cover sheet.
- Multimedia project (PPT or link to an unlisted YouTube video or website)
- Electronic copy of your written report (PDF or Word Document)

Programming, Apps & Robotics:

- Cover sheet.
- Electronic copy of your Programming, Apps and Robotics Report (PDF, Word Document or .jpeg)
- Any links to your program / app OR photos / videos of your robot in action (PPT or link to an unlisted YouTube video or website).

Uploading the project

- 1. Visit the Oliphant Science Awards website <u>www.oliphantscienceawards.com.au</u>
- 2. Hover your mouse over the 'Participant Info' tab and click on the 'Online Project Submission' page.

Enter your last name and the keycode/upload code as found on your cover sheet. If it is a group project, please use the last name of the *first student* listed. NOTE!! When uploading a Citizen Science project, no last name is necessary – you can leave that field blank, but ONLY for Citizen Science projects.

0813-001	Coordinator: School Phone:		
Student	Gender F		Patent: N
Year Level: R-2	Group Entry: N	Students:	1
Category: Programming, Apps	& Robotics	Keycode:	9P9E8G2M
Title: TEST			

You need to enter your keycode to continue to the Oliphant Project upload form.

Last name:	Smith	
Keycode:	9P9E8G2M	
		login

4. Click on 'login' and you will see the following details:

Project: TEST		
Category:	- Select -	Required
Document:	Choose File No file chosen	Required
		upload
		finish

- 5. Choose the category you are entering, click 'choose file', select the first document and click 'upload'.
